

2016 Fall Youth Tennis with Coach Tony Simon

The fall session runs **Wednesday, September 7 – Friday, November 18**. Registration is now open. Classes are co-ed with a minimum of 4 and a maximum of 6 children per class. Classes meet rain or shine. On rainy days, indoor tennis-related activities will take place in the recreation room. **Non-tennis members** can enroll if space permits with a \$30 surcharge.

Youth Tennis incorporates the USTA sponsored 10 and Under Tennis program. This successful program is widely used in other facilities and enables very young kids (from the age of 4) to develop an interest in the sport with lots of fun, creative skill drills. We use smaller rackets, smaller courts and low pressure balls, which makes it much easier for the kids to play and become confident. Older, more experienced kids will benefit from these tools, but will also be able to play on full courts with regular equipment.

If your child is unable to attend on any given day, please notify Coach Simon.
