**Manager's Report**

Membership report. Some categories are down from last year (nearly 10%). Will resend notice to get people to sign-up.

Staffing discussion - lifeguards and camp counselors. Still accepting more lifeguards. In early and end of season we are often short of lifeguards.

Tennis nets - new ones are up.

Poison oak at tennis court and on the trail to LRD is an issue - need to be addressed.

Question should we supply some certified life vests for non-swimming guests?

Di Gow has accepted our offer to be a co-manager. She expects to start on June 15.

Memorial Day Weekend was well attended and we received lots of positive feedback.

Discussion about safety and liability for "Floating Days". Sunday may not be the best day. Need further investigation.

Toastmasters - good interest and will possibly start in the fall.

Swim Team - Registrations are starting to come in on a regular basis. Will double check sign-ups at the door.

Camp Ladera session 1 begins Monday June 13th. Signups are very good.

Email blast to all LRD members about upcoming events and schedule.

4th of July schedule firming up.

Need to figure out how to jump-start tennis programs in the summer.

Vending machines are not reliable. What should we do about them?

Still need a sync-up on the lifeguard stand and the pool basketball hoop.
